DIVIDEND:

In view of the planned business growth, your Directors deem it proper to preserve the resources of the Company for its activities and therefore, do not propose any dividend for the Financial Year ended March 31, 2015.

RESERVES:

During the year under review, no amount has been transferred to the Reserves.

RESUME OF PERFORMANCE:

Your Company's performance during the year under report has remained marginal in terms of production, sales quantity as well as turnover. There has been no change in the business of the Company during the financial year ended 31st March, 2015.

During the year under review, the net revenue from operations of your Company decreased from ₹. 1208176 to ₹.957719. Owing to reduced Sales turnover and rising costs throughout the financial year 2014-15, your Company's profit after tax stood at ₹. 5465 vis-à-vis ₹. 15711 in the previous year.

Business Review:

The financial year 2014-15 was a difficult year for the jute industry due to reduction and irregularities in government's procurement of jute bags and equally low level of demand from sugar and other industrial consumers. In consideration of the above facts, the goods manufactured during the year were 15643 MT as against previous year's production of 21790 MT. The cost of wages remained high due to consistent rise in the rates of Dearness Allowances of the workers and a massive hike in entry level of wages. Harvesting of Raw Jute was lower due to unfavourable rainfall during the year under review, but the prices remained steady throughout the year. The manufacturing cost was more than the previous year due to continuous rise in cost of stores and spare parts, power & fuel etc. Even the harvesting of Food Grains was better but the demand of finished goods was unexpectedly lower throughout the year. The agencies belonging to the Government of India and State had procured less number of Sacking Bags in comparison to the previous year which caused lower turnover and high inventory in the year under consideration. Due to disturbances, the manufacturing process was kept under suspension in the Mill from 17th June 2014 and was later withdrawn with the kind interference by Sri Arjun Singh, MLA & Chairman of the Bhatpara Municipality on 27th July 2014.

Technological Advancement:

Your Company believes in sustainable development and continues to maintain its thrust on Modernization and Diversification. The Company has installed Shuttle Less High Speed M4 Looms and Beaming Machine during the year. The Company continued replacement of old and outdated Electric Motors & Cables.

Other Developments:

Your Directors continue their sincere efforts to improve the quality of the Company's produce to augment the Company's realisation pattern.

A roof top power generating plant of a capacity of 250 KW has been installed and commissioned by Auckland Jute Co. Limited on the roof provided by the Company at Auckland Jute Mills, Jagatdal. The generated power is bought by the company and is consumed for manufacturing & domestic purposes. An agreement has been executed between the Company and High Tension power provider CESC Limited for the net billing.

The Custom, Excise & Service Tax Appellate Tribunal, Kolkata vide it's order dated 09.07.2015 partially allowed the appeals made by several Jute Mills, the Company amongst one of them, against the confirmation of demand of Central Excise Duty amounting to ₹.162868 on the Branded Jute Goods sold during the period from March 2011 to December 2012 and equivalent amount of ₹.162868 as penalty & interest thereon. The Hon'ble Tribunal deleted the imposition of penalty and directed the authorities for re-computation of demand and interest thereon. The Company and other Mills, being not satisfied with the Order, will take necessary steps as required in this matter.

Prospects:

The Company is continuously reporting its anguish over the repeated violation by the consumers who are required to compulsorily use the new Bags made of Jute Fibre under the Jute Packaging Materials (Compulsory Use for Packing Commodities) Act, 1987 (JPMA) for packaging of food grains & other materials covered under the said Act. The Central & other State's Governments, Food Corporation of India and other related agencies had also reduced procurement of Jute Bags for packaging of Food grains, Sugar & other food products and materials during the year, due to which the Company has to drastically curtail its production capacity. The controlling authorities have failed to stop illegal use of bags made of material other than the Jute Fibre, second use of old Jute Bags and bags made in other countries too.

Some of the Jute Goods manufacturers still enjoy various exemptions and benefits from the Central and State Governments on various pretexts and coverage under the BIFR Act, due to which there is huge deficiency in the cost of manufacturing between the manufacturers not covered under the BIFR Act who were deprived from such benefits.

There is huge shortage of skilled and non-skilled workmen in the industry, to cope up with the situation, the Company has undertaken programme to train the youth to learn the job and to give employment to the eligible candidates. But due to uncertain work environment of Jute Industry, it has become very difficult to keep continued hold on the regular and enrolled workmen. However, the Company is continuing the process of enrolling fresh and eligible workmen. An agreement has been inked between Unions and Indian Jute Mills Association, in which an understanding has been made towards massive hike in entry level wages to the new entrants and the existing workmen, which may help in attracting freshers towards Jute Industry.

The Company has continued the process of up-keeping the installed machineries as well as looking for new and advanced machineries keeping in mind to reduce production cost by getting higher output and similarly saving energy and other cost elements.

Export:

Due to intense competition and fluctuations in foreign currencies, the Company has chosen the domestic country as its priority area of marketing and has decided to cater to the needs of its domestic consumers.

Industrial Relations and Employee's Welfare:

Your Company considers human resource development as integral to its long term sustainability and success, to which end it continues its efforts for personnel development for employees at various levels. An inspection was made by Sulabh International social service Organisation in the Company's premises for construction of Sulabh Sauchalaya/Toilet Blocks for workers of Auckland Jute Mill under the National Jute Board scheme for workers welfare in Jute sector. Further your Company has reached an agreement with the Bhatpara Municipality for building up a super Speciality hospital on the piece of land leased out within the Mill's Compound and has also agreed to participate under Rajeev Awas Yojana for building up multistoried pucca homes for the employees. In addition to this the Company has also extended helping hands for establishing a College for the local boys and girls.

CAPITAL EXPENDITURE:

Capital Expenditure during the year, towards tangible & intangible assets, amounted to ₹.118.89 lacs, a major part of which was spent on plant & machinery.

MATERIAL CHANGES AND COMMITMENTS:-

There have been no material changes and commitments affecting the financial position of the Company which have occurred between the end of the financial year of the Company to which the financial statement relates and the date of the report.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS:

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The details in respect of internal financial controls and their adequacy are included in the Management Discussion & Analysis report, which forms part of this report.

DEPOSITS

Your Company has not invited any deposits from public / shareholders in accordance with Section 73 and 74 of the Companies Act, 2013 for the financial year ended on March 31, 2015.

TRANSACTIONS WITH RELATED PARTIES:

All related party transactions that were entered during the financial year were in the ordinary course of business and on an arm's length basis. There are no materially significant related party transactions made by the company with Promoters, Key Managerial Personnel or other designated persons which may have potential conflict with interest of the company at large. Thus, disclosure in Form AOC – 2 is not required.

During the year under review, the Board has adopted a policy to regulate the transactions of the Company with its related parties. As per the policy, all related party transactions require prior approval of the Audit Committee and Board of Directors of the Company. Prior approval of the shareholders of the Company is also required for certain related party transactions as prescribed under Companies Act, 2013 and listing agreement. The said policy is available on the Company's website under the following web-link http://aucklandjute.com/data/documents/POLICY-ON-RPT.pdf.

CORPORATE SOCIAL RESPONSIBILITY INITIATIVES:

Even though the provisions of Section 135 of the Companies Act, 2013 regarding Corporate Social Responsibility are not attracted to the company during the year under review, yet the Company has been, over the years, pursuing as part of its corporate philosophy, a CSR policy voluntarily which goes much beyond mere philanthropic gestures and integrates interest, welfare and aspirations of the community with those of the Company itself in an environment of partnership for inclusive development. Thus, the Company has not made any contribution towards Corporate Social Responsibility activities. However, the Company is continuously contributing to the activities initiated previously.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The revised Clause 49 of the Listing Agreement entered into with the Stock Exchange stipulates disclosure under specific heads which are given in the following paragraphs and which continue to be followed in the regular course of the Company's business over the years in discussion amongst the Directors and other Senior Management Personnel.

a) **Introduction:**

Auckland International Limited was incorporated in the year 1977. The Company is engaged in the manufacture of Jute goods, better known as GUNNY since its amalgamation with the erstwhile 'The Auckland Jute Co. Limited' on and from 1st July, 1980. Besides being engaged in the manufacture of Jute goods, the Company also involves itself in activities like financing, investing and dealing in shares & securities. The manufacturing unit of the Company is situated at the industrial belt of Jagatdal near Barrackpore area in the district North 24 Parganas, West Bengal, which is around 35 Kms from the city of Kolkata. The aggregate work force of the Company is around 3000 workers alone at its factory premises.

b) Industry Structure and Developments:

The Indian Jute Industry is almost 125 years old and your Company's manufacturing unit is also more than 100 years old. Due to the fact of being one of the oldest industries in the world, jute once popularly known as the 'golden fibre' has always been in demand not only in India but also in other countries owing to its eco friendly nature.

However as a result of high cost of manufacturing and easy availability of other cheaper substitute products like plastic, the prosperous business of jute goods became uneconomical and led to the closure of many flourishing Jute Mills in India as well as abroad. With an aim to improve the situation, the Central Government stepped in and brought in force the Jute Packaging Materials (Compulsory use for Packing Commodities) Act, 1987 (JPMA), to provide a new lease of life to the remaining Jute mills.

The Government of India vide a notification during the year under review has diluted the compulsory packing norms for food grains and sugar under Jute Packaging Materials (Compulsory use for Packing Commodities) Act, 1987 (JPMA). It has been directed that food grains to the extent of 90% of production & sugar to the extent of 20% of production, shall be packed in Jute Packaging Material. By a notification issued in January, 2015, the order was renewed for the year 2014-15 and the Jute Industry is hopeful that the government will further extend the order.

c) Opportunities and threats, Risks & concerns:

Opportunities: The rising concern for global warming and consequent environmental protections may lead to opening of new markets for the goods made of natural and eco-friendly biodegradable fibre like Jute both in the domestic as well as in the foreign countries. Jute being a versatile fibre has the prospects of usage as geo-textiles, apparels, composites, decorative, carpet yarns etc. The Central Government has also taken various innovative steps like announcing financial help and incentives for modernization & technological up-gradation schemes for the Jute Industry which will help to curtail manufacturing costs by installing high efficiency power saving machineries.

Threats, Risks & Concerns:

During the year under review, the Company has constituted a risk management committee in terms of revised Clause 49 of the listing agreement. The composition of the committee and its role is stated in corporate governance report annexed to this report. However following are the major threats, risks & concerns faced by the Jute Industry:

- a) An undisciplined work culture has developed amongst the workers. The habit of sudden wilful absenteeism from work is very random amongst the workers, which is a matter of serious concern considering the fact that this unprofessional behaviour on the part of the workers hamper work and also increases the cost of manufacture.
- b) Multiple and aggressive trade unions are one of the major problems faced by the industry at present time. Resolution of issues related to workmen unrest is both time consuming as well as knotty.

- c) The export of jute goods becomes complex due to the volatility in exchange rates on a regular basis
- d) Dilution of the Jute Packaging Material Act, 1987.
- e) Reduction in government food grains procurement level.
- f) Taking into account the threat of the Central Government to withdraw JPMA has led to difficulty in competing with substitute cheaper packaging industries like plastic & synthetic materials.
- g) The cost of production has further increased due to the substantial increase in productivity without much increase in profitability and poor supply chain.
- h) Competition from comparable jute producing country like Bangladesh becomes very tough in the export market, owing to the huge differences in manufacturing cost of wages, power & other consumables required for production, between both countries, as well as offering of many subsidies by the Bangladesh Government to their units.
- i) As an agricultural product, availability of raw jute depends on the vagaries of weather. Adverse weather conditions may directly hit its pricing and availability.

d) Segment-wise or Product-wise Performance:

The Company has only one reportable segment as indicated in AS 17, as notified in the Companies (Accounting Standards) Rules, 2006.

e) Outlook:

Although it was expected that the industry performance during the year under review will be comparatively worse than the previous year, the Company had installed new and advanced machinery and had also made significant effort to reduce power cost per unit of manufacture and other manufacturing and indirect costs as much as feasible to reduce cost of production. Notwithstanding the adverse condition of the jute market, your Directors continue in their emphasis on the 'Quality' of jute products.

f) Internal Control Systems & their Adequacy:

The Company has an adequate internal control system commensurate with the Company's size and nature of its operations which provides reasonable assurance with regard to safeguarding the assets, preventing revenue leakage, recording & providing reliable financial and operational information and compliance with various statutory provisions and promoting operational efficiency by cost control.

The Company has also engaged the services of Shri S. Roy Chowdhury, Chartered Accountant, as the Internal Auditor of the Company in terms of Section 138 of the Companies Act, 2013 to carry out the internal audit and ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The company has also installed an extensive CCTV Surveillance system to cover the important parts of entire factory premises. All these measures are continuously reviewed by the management and frequently necessary improvements are affected.

g) Financial & OperationalPerformances:

The Company looks forward to positive advancement in the financials of the Industry in the near future thereby strengthening its sound financial base. During the year under review, the financial performance with reference to the operational performance of the Company is as under:-

PARTICULARS	2014-15 (₹.in 000′)	2013-14 (₹.in 000′)
Revenue from operations	957719	1208176
Cost of Materials consumed	503911	652717
Change in Inventories(Increase)/Decrease	(16929)	(31830)
Finance Costs	10572	5416
Profit After Tax	5465	15711

h) Development in Human Resource & Industrial Relations:

As on March 31, 2015, the Company had employee strength of around 3000.

The Jute Industry being particularly labour intensive in nature, your Company tends to provide environment for continuous innovation and improvement by rewarding its staff and workmen for their efforts in achieving company's goal. Given the frequent labour disturbances, industrial relations have remained unpleasant and unpredictable during the year under review.

The Company has also constituted an Internal control Committee for prevention, prohibition and redressal of complaints/grievances on the sexual harassment of women at work place in compliance of the requirement under Sexual harassment of women at workplace (prevention, prohibition and redressal) Act, 2013.

i) Cautionary Statement:

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors such as finished goods prices, raw materials cost & availability, withdrawal of JPMA or further relaxation granted by the Central Government, regulations, tax laws, economic developments within India and other factors such as litigation and industrial relations.

Thus this report should be read in conjunction with the financial statements included herein and the notes thereto. The Company should and need not be held responsible, if, which is not unlikely, the future turns out to be something quite different. Subject to this management disclaimer, this discussion and analysis should be perused.

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying standalone financial statements of AUCKLAND INTERNATIONAL LIMITED
 ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss, the Cash
 Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory
 information.

2. Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and or preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2015

NOTE 1

SIGNIFICANT ACCOUNTING POLICIES:

1 Basis of preparation of Financial Statements

The financial statements are prepared under historical cost convention on accrual basis of accounting and in accordance with generally accepted accounting principles.

2 Use of estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results materialise or are known.

3 Revenue Recognition

- (a) Revenue has been accounted for on accrual basis excepting Internal Marketing Assistance and Insurance Claim which are accounted for as and when received. All claims including Gunny claim are considered as and when settled.
- (b) Government Grants are recognized only when they are actually received. The grant related to depreciable fixed asset is treated as deferred income which is allocated to income over the periods and in the proportion in which depreciation on that asset is charged.

4 Sales and Other Income

Sales of Goods are recognized on transfer of significant risks and reward of ownership, which is generally on dispatch of goods, and are recorded net of return, claims, cash discount etc.

5 Tangible fixed assets

Fixed assets are recorded at cost of acquisition or construction. They are stated at historical cost less accumulated depreciation, amortisation and impairment loss, if any.

6 Depreciation on tangible fixed assets

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life of the assets prescribed in Schedule II to the Companies Act, 2013.

7 Intangible assets

Intangible assets are stated at cost of acquisition less accumulated amortisation. Computer Software which are capitalised, are amortised over a period of 3 years on straight-line basis.

8 Impairment of tangible and intangible assets

Impairment loss is provided to the extent that the carrying amount(s) of assets exceed their recoverable amount(s).

Recoverable amount is the higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash-flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life. Net selling price is the amount obtainable from sale of the asset in an arm's length transaction between knowledgeable willing parties, less the costs of disposal.

9 Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investment. All other investments are classified as long term investments

Long term investments are valued at cost. Current investments are valued at lower of costs and fair value as on the date of Balance Sheet. The Company provides for diminution in value of investment, if any, other than temporary in nature.

10 Inventories

Inventory of raw material and finished goods are valued at lower of cost and market prices, stores & spares at monthly average cost and work in process at cost. Cost of work in process and finished goods includes materials, labour and

manufacturing overheads and other costs incurred in bringing the inventories to their present location. Cost is determined using standard cost method that approximate actual cost.

11 Retirement and other employee benefits

Short term employees' benefits are recognized at the undiscounted amount as expenses for the year in which the related service is rendered.

The Company has Defined Contribution Plan for its employees' retirement benefits comprising of Provident Fund, Pension & Gratuity. The Company makes regular contribution to Provident Fund including payment under pension scheme which are fully funded and administered by the Government, and is recognized in Statement of Profit & Loss on accrual basis.

The Company has defined benefit plan for Gratuity and Leave Encashment Scheme. The Company contributes to the Gratuity Fund and has taken a Master Policy with Life Insurance Corporation of India for future payment of liability to its employees.

The liabilities for gratuity for the employees left/dead and leave encashment to the employees in employment are accounted for as per Gratuity Act & Standing Orders and on the basis of payment & contribution made during the year. However, the amounts of said liabilities are ascertained on the basis of actuarial valuation disclosed in the accounts.

12 Foreign currency transactions

Transactions in foreign currency are recognised at the prevailing exchange rates on the date of transaction. Gains/losses arising out of fluctuations in the exchange rates are recognised in the Statement of Profit & Loss in the period in which they arise.

13 Income Tax

Current tax is determined on the amount of tax payable in respect of taxable income for the year. Deferred tax assets and liabilities arising on account of timing differences and which are capable of reversal in subsequent periods are recognized using the tax rates and laws that have been enacted or substantively enacted.

- 14 Dividend received is accounted for as and when it is received.
- 15 Unless specifically stated to be otherwise, these policies are consistently followed.
