3) IMPACT OF COVID-19:

The COVID-19 pandemic is a worldwide crisis and has meant that the economies will have to operate alongside the disease, now as the attention has started shifting from lockdown to safe reopening. The Company strictly followed the guidelines issued by the local, state and central governments and beyond to protect the health and well-being of its workforce and ensured minimum disruption to its stakeholders.

The Company closed its manufacturing facilities for a month and is taking all possible steps required to adjust to the new normal of working and growing. The demand is expected to remain uncertain in the foreseeable future.

4) <u>DIVIDEND:</u>

Keeping in mind the global environment of heightened uncertainty caused by the COVID-19 pandemic on the one hand and on the other in order to conserve resources of the Company and to meet working capital requirements, your Board did not recommend any dividend on equity shares of the Company for the financial year ended 31st March, 2020.

5) TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND (IEPF):

Pursuant to the provisions of Section 124(5) of the Companies Act, 2013, dividend which remains unpaid or unclaimed for a period of seven years from the date of its transfer to unpaid dividend is required to be transferred by the Company to Investor Education and Protection Fund (IEPF) Authority, established by the Central Government under the provisions of Section 125 of the Companies Act, 2013. Accordingly, your Company has transferred $\overline{\mathbf{x}}$ 2,49,864/- to the IEPF Authority during the year 2018-19 and thereafter no dividend remains pending for transfer to the IEPF Authority.

6) TRANSFER TO RESERVES:

During the year under review, no amount has been transferred to the General Reserve of the Company.

7) <u>RESUME OF PERFORMANCE</u>:

Your Company has been able to achieve profitable growth and believes that this is sustainable, barring unforeseen circumstances. The growth would have been higher however, disruption caused by the COVID-19 pandemic affected performance in the latter half of March 2020. During the year under review, your Company's performance showed remarkable improvement in terms of Sales which was achieved due to increase in production of Gunny than the previous years, in comparison, the Yarn Sales was lower than the earlier year. There has been no change in the business of the Company during the financial year ended 31st March, 2020.

During the financial year ended March 31, 2020, your Company recorded a turnover of ₹ 16407.89/~ lakhs compared to ₹ 15610.13/~ lakhs in the previous year. Whereas the profit after tax stood at ₹ 344.33/~ lakhs vis-à-vis ₹ 425.82/~ lakhs in the preceding year. The basic EPS for the year was ₹ 8.38/~ per share vis-à-vis ₹ 10.37/~ per share in FY 2018-19.

The overall performance of the Company during the year under review was satisfactory considering growth in turnover and keeping the capacity utilization at par during the year.

a) <u>Business Review</u>:

Raw Jute is an agricultural product whose availability depends on harvesting and normal rainfall during the monsoon season. During the financial year 2019-20, the production was 18931 MT (up to 24th March 2020) as against 19325 MT of Jute Goods manufactured during the previous year. The production could have been better during the year under review but due to continuous scarcity of machine operators and semi-skilled workmen restrained the company to utilise the installed machineries at required capacity. Manufacturing of light weighted quality of Government B. Twill Jute Bags was increased due to installation of new shuttle less high speed looms and fine quality of Hessian Cloth also, due to which consumption of higher quality of Raw Jute was much more than the earlier years. During the year once again as in the previous year, the quality of Raw Jute was of short length and strength was very poor which caused high droppings and losses during manufacturing process. The prices of raw material and other consumables were regularly varied as well cost of Power and Labour were kept continuously rising, which increased in cost of production of finished goods too.

During the year, 319807 units of solar power generated from roof top installation of Renewal Energy Devices as against 333418 units in previous year and as per the agreement, the units of solar power generated were synchronised to the LT grid fed of the CESC Limited, the HT Power provider, and consumed for manufacturing process.

b) <u>Technological Advancement:</u>

Your Company continues to maintain its precedence on Modernization and Diversification and installed Winding Machines and Shuttle less Sacking Looms during the year under review. The Company continued replacement of old and outdated Electric Motors & Cables and other electric fittings.

c) <u>Other Developments:</u>

Your directors continue their sincere efforts to improve the quality of the Company's produce to augment the Company's realisation pattern and for this Mist & Cool System was installed last year. The Company will take appropriate plan to replace another lot of old \mathcal{E} outdated machineries on the basis of the performance of the newly installed machineries and consideration of needs.

d) <u>Prospects:</u>

As reported in earlier years, the procurement by the State and Central Government & other agencies was rising but the diversion from the compulsory use of new Sacking Bags made of raw jute to the packing bags made of other products is still continuing.

Due to continued excursion of workmen to other job in large number and no replacement of retired workmen with the skilled and enthusiastic youngsters, huge shortage of skilled and non-skilled workmen in the industry still preexists, to cope up with the situation, the Company has undertaken various programme to train the youth to learn the job. The management has given employment with the Company to eligible candidates, but due to uncertain work environment of Jute Industry, the number of interested entrants remained low during the year too. The workmen have grown habit of sudden absenteeism from work which hampers the schedules of production and dispatches to the buyers. The management, to fill the vacancy and according to exigency and requirement to keep the continuous process of manufacturing running have re-employ and engage the retired/superannuated workmen.

Your Company continues the process of up-keeping the installed machineries as well as looking for new and advanced machineries keeping in mind to reduce production cost by getting higher output and similarly saving energy and control other cost elements as well as saving in employment of workmen.

e) <u>Export:</u>

Your Company continues to accommodate the requirements of its domestic consumers only and has accordingly chosen the home country as its priority area of marketing owing to intense competition and frequent variations in foreign currencies.

8) CAPITAL EXPENDITURE:

The capital expenditure incurred towards tangible \mathcal{E} intangible assets amounted to \mathcal{E} 62.72/~ lakhs during the year under review, a major part of which was spent on purchase of Plant \mathcal{E} machinery.

9) MATERIAL CHANGES AND COMMITMENTS:

No material changes and commitments, other than disclosed as part of this report, affecting the financial position of the Company have occurred between March 31, 2020 and the date of the report.

10) PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS:

Your Company has not given any loan, guarantee or made any investments exceeding sixty per cent of its paid-up share capital, free reserve and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more, as prescribed in Section 186 of the Companies Act, 2013.

11) DEPOSITS FROM PUBLIC:

During the Financial Year 2019–20, your Company has not accepted any deposit within the meaning of Sections 73 and 74 of the Companies Act, 2013 read together with the Companies (Acceptance of Deposits) Rules, 2014.

Pursuant to the Ministry of Corporate Affairs (MCA) notification dated 22nd January 2019 amending the Companies (Acceptance of Deposits) Rules, 2014, the Company is required to file with the Registrar of Companies (ROC) requisite returns in Form DPT-3 for outstanding receipt of money/loan by the Company, which is not considered as deposits.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to regulation 34(2)(e) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the disclosure under specific heads are given in the following paragraphs which continue to be followed in the regular course of business of the Company over the years in discussion amongst the Directors and other Senior Management Personnel.

a) <u>Industry Structure and Developments:</u>

During the present operating cycle, the demand for 'B' Twill bags from the Government Procurement Agencies continued to be decent, in fact Jute Industry could not fulfil the demand on several occasions as per the delivery schedule mainly because of bunching of orders by the Procurement Agencies and lower capacity utilisation resulting from shortage of manpower. It is therefore imperious that the Industry body as well as Procurement Agencies should work out a suitable production / supply plan so that in future placement of orders by the Procurement Agencies are reasonably spread throughout the year instead of bunching at a particular time and manufacturing mills could plan their production accordingly so that such complaint can be minimised.

Furthermore, during the year under review, by a passing of a notification, the compulsory packing norms for food grains and sugar under Jute Packaging Materials (Compulsory use for Packing Commodities) Act, 1987 (JPMA) stands at the 100% & 20% of production of food grains & sugar respectively. The said notification is valid up to 30th September, 2020.

b) Opportunities and threats, Risks & concerns:

Opportunities:

- a) The Demand for 'B'Twill bags from the Government Agencies for packaging of food grains is estimated to be strong consequently there is an opportunity for the Jute Industry to enhance the production as much as possible & fulfil the demand.
- b) With the signing of tripartite agreement, minimum wages have increased significantly from Rs. 257 to Rs. 370 per day. Due to introduction of an attendance allowance, the hike in wages is likely to help in better availability of workforce in the ensuing year.
- c) Our Government has taken substantial steps like announcing financial help and incentives for modernization & technological upgradation schemes for the Jute Industry which helps to curtail manufacturing costs by installing high efficiency power saving machineries.

Threats, Risks & Concerns:

The Company has a risk management committee, whose composition and role is stated in corporate governance report annexed to this report. However, following are the major threats, risks & concerns faced by the Jute Industry:

- a) In the given scenario, COVID 19 possess a major threat to the Jute Industry and is a matter of concern as the operations could be affected anytime;
- b) Continuation of compulsory Jute packaging order for food grains which is extended every year is a key component at this stage;
- c) The jute industry is not only losing the market shares in the overseas market to Bangladesh but Bangladesh is also dumping its jute goods in India at the cost of market share of Indian Jute Mills.
- d) Difficulty in getting migrant labours from nearby states for running the mills is resulting in lower capacity utilization causing further increase in cost of production per unit;
- e) Multiple and aggressive trade unions are one of the major problems faced by the industry at present time;

c) <u>Segment-wise or Product-wise Performance</u>:

AUDITOR'S CERTIFICATE

Auditor's Certificate regarding compliance of conditions of Corporate Governance under Regulation 34(3) read with Schedule V of the SEBI Listing Regulations, 2015

To

The Members of Auckland International Limited

We have examined the compliance of conditions of Corporate Governance by Auckland International Limited, for the year ended 31st March, 2020, as stipulated under Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. Our examination was limited to a review of the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of the Corporate Governance as stipulated in the said Clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing regulations, as applicable.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT To The Members of AUCKLAND INTERNATIONAL LIMITED Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying financial statements of Auckland International Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profits and total comprehensive income, changes in equity and its cash flows for the year ended on that date,

Basis for Qualified Opinion

We report that the accrued liability on account of encashment of leave by the employees has not been provided and has been accounted for on Cash Basis. (Refer Note 29) Unprovided Liability on this account as on 31st March 2020 as determined by actuarial valuation amounts to ₹75.19 lakhs.

The effect of the forgoing to the extent determinable is that the Profit and Reserve & Surplus are overstated by ₹75.19 lakhs during the year and liability under long term provision is under stated to the same amount.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report, We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independent ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters. We have nothing to report in this regard.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Directors' Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including total comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and event in a manner that achieves fair presentation.

Misstatements can arise due to fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of subsection (11) of section 143 of the Act (hereinafter referred to as the "the Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure "A", a statement on the matters specified in the paragraphs 3 and 4 of the Order.

- c) The Balance Sheet, the Statement of Profit and Loss, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account. According to information and explanations given to us there was no material Other Comprehensive Income of the Company during the year underreport.
- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies(Accounts) Rules, 2014 except Ind AS 19 as stated above.
- e) On the basis of the written representations received from the directors as on 31stMarch, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31stMarch, 2020 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer toour separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:

- i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements. (Refer Note no. 39 in Notes to the Financial Statements)
- ii) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

4. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid only to its Executive director during the year is in accordance with the provisions of section 197 of the Act.

Report on the Internal Financial Controls over financial reporting under Clause(i)of Subsection3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of Auckland International Limited(lithe Company") as of 31st March, 2020in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting, criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (,ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under theCompaniesAct,2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over financial reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also,

projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020

1 CORPORATE INFORMATION

Auckland International Limited ("the Company") is a public limited company, incorporated under the provisions of the Companies Act, 1956. Its registered office is located at Auckland Jute Mills in Jagatdal, District North 24 Parganas, West Bengal -743125.

Its shares are listed on the Calcutta Stock Exchange. The Company is the manufacturer of jute products such as Hessian Cloth of various qualities, Double Warp Canvas, Odderless Cloth, Sacking Cloth & Bags and Yarn of different counts. Its manufacturing facilities are located at Jagatdal in North 24 Parganas district of the state of West Bengal.

2 BASIS OF ACCOUNTING

2.1 Compliance with Indian Accounting Standards (Ind AS)

The financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act.

2.2 Historical Cost Convention:

The financial statements have been prepared on the historical cost convention.

2.3 Functional and presentation currency :

The financial statements have been presented in Indian Rupee, which is also Company's functional currency. All financial information presented in Rupees has been rounded off to the nearest lakhs as per the requirements of Schedule III, unless otherwise stated.

2.4 Use of Estimates and Judgements

The preparation of financial statements require judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities including contingent liabilities on the date of financial statements and reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognised in the period prospectively in which the results are known/materialised.

2.5 Current and non-current classification:

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

3 SIGNIFICANT ACCOUNTING POLICIES

3.1 Inventories:

Items of raw materials are valued at cost or net realizable value, whichever is lower. Cost for stores and spares is determined on weighted average basis. Cost includes cost of purchase, non-refundable taxes and other costs incurred in bringing the goods to their present location and condition. The cost of process stock and finished goods comprises of materials, direct labour, other direct costs and related production overheads and taxes as applicable. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale. Adequate provision is made for obsolete and slow-moving stocks, wherever necessary.

3.2 Cash and Cash equivalents :

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short-term deposits, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

3.3 Income Tax

Income tax comprises current and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to an item recognised directly in equity or on other comprehensive income.

(i) Current Tax:

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, wherever appropriate, on the basis of amounts expected to be paid to the tax authorities

(ii) Deferred Tax:

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the balance sheet date. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Minimum Alternate Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as deferred tax in the Statement of Profit and Loss. The credit available under the Income Tax Act, 1961 in respect of MAT paid is recognised as an asset only when and to the extent it is probable that future taxable profit will be available against which these tax credit can be utilised. Such an asset is reviewed at each Balance Sheet date.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in Other Comprehensive Income or directly in equity. In this case, the tax is also recognised in Other Comprehensive Income or directly in equity, respectively

3.4 Property, Plant and Equipment:

i) Current Assets

Freehold land is carried at historical cost. All other items of plant and equipment are stated at historical cost less deprecation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognised in the Statement of Profit and Loss.

(₹. in lakh)

Property, plant and equipment which are not ready for the intended use on the date of the Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation on property, plant and equipment is provided on the straight-line method as per the estimated useful life. The useful lives have been determined based on as prescribed under schedule II of the Companies Act, 2013.

The assets' residual values and useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period

ii) Intangible assets:

Computer Software are stated at cost, less accumulated amortization and impairments, if any.

Computer Software which are capitalised are amortised over a period of 6 years on straight-line basis.

The estimated amortisation method, useful life and residual value are reviewed at the end of each reporting period, with effect of any changes in the estimate being accounted for on a prospective basis.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

3.5 Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

The Company recognises revenue when the amount of revenue can be reliably measured. It is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specific of each arrangement.

a) Sale of Goods:

Revenue from the sale of goods is recognised when significant risks and rewards of ownership are transferred to customers and the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold. Revenue from the sale of goods is measured at the fair value of the consideration received or receivables, net of returns and allowances, trade discounts and volume rebates.

b) Dividend

Dividend income from investments is recognised when the Company's right to receive payment has been established.

c) Government Grants :

Government grants (capital incentives) are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions as and when received.

Government grants relating to the purchase of plant and equipment are included in liabilities as deferred income and are credited to the Statement of Profit and Loss in a systematic basis over the expected life of the related assets and presented within other income.

Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

3.6 Employee benefits:

(i) Short-term Employee Benefits :

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current liabilities in the balance sheet.

(ii) Other long-term employee benefit obligations:

The liabilities for earned leave that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These liabilities are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method by the actuary and disclosed in the accounts.

Accumulated leave are not generally allowed to be encashed as a matter of policy of the Company. However, in exceptional cases at the discretion of the management leave encashment is granted and the same is accounted for as and when paid.

(iii) Defined benefit plan :

a) Gratuity Obligations :

Liability on account of Gratuity for employees already retired and not covered under the group gratuity scheme are accounted for on payment basis in the year of retirement.

The liability or asset in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuary using the projected unit credit method.

The Company has created a Trust for payment of gratuity and taken up a policy under group gratuity scheme of LIC for this purpose. The annual contribution to the LIC as premium is charged to Statement of Profit & Loss.

b) Defined contribution plans :

The Company contributes towards Provident Fund, Pension Scheme and Employees' State Insurance Scheme which are defined contribution schemes and are charged to the statement of profit and loss of the year. Liability in respect thereof is determined on the basis of contribution required to be made under the statutes / rules. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

3.7 Borrowing Cost:

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowings of funds.

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale.

Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. All other borrowing costs are expensed in the period in which they are incurred.

3.8 Financial Instruments :

Initial recognition:

Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the financial instruments. Financial assets and financial liabilities are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through Profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial liabilities at fair value through Profit and loss are recognized immediately in the Statement of Profit and Loss.

a. Investment and other financial assets: Classification:

The Company classifies its financial assets in the following measurement categories:

• those to be measured subsequently at fair value (either through other comprehensive income, or through Statement of Profit and Loss), and

those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the Statement of Profit and Loss or other comprehensive income.

b. Subsequent measurement:

Debt Instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the assets and cash flows characteristic. There are three measurement categories into which the group classifies its debt instruments.

(₹. in lakh)

i. Amortised Cost: Assets that are held for the collection of contractual cash flow where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method.

ii. Fair value through other comprehensive Income (FVOCI): Assets that are held for the collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Changes in fair value of instrument is taken to other comprehensive income which are reclassified to Statement of Profit and Loss.

iii. Fair Value through Profit and loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured as fair value through Profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through Profit and loss is recognised in the Statement of Profit and Loss. Interest income from these financial assets is included in other income.

c. Equity instruments:

All investments in equity instruments other than subsidiary companies, associate and joint venture companies are measured at fair value and the Company initially recognises, irrevocably to measure the same at FVOCI.

Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

d. Impairment of financial assets:

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 'Financial Instruments', which requires expected lifetime losses to be recognised from initial recognition of such receivables.

e. De-recognition of financial assets:

A financial asset is de-recognised only when

- The Company has transferred the right to receive cash flows from the financial assets, or

- Retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay cash flows to one or more recipients.

When the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such case, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

f. Income recognition:

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

g. Financial liabilities:

Classification as debt or equity:

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

h. Initial recognition and measurement:

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities are initially measured at the fair value.

i. Subsequent measurement:

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through Profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

j. De-recognition:

A financial liability is de-recognised when the obligation specified in the contract is discharged, cancelled or expires. All instruments issued by a company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

k. Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the assets and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

3.9. Provisions and contingencies :

Provisions are recognised when there is a present obligation (legal and constructive) as a result of a past event, it is probable that cash outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate can be made of the amount of the obligation. When a provision is measured using cash flow estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. A Contingent asset is disclosed, where an inflow of economic benefits is probable.

3.10. Earnings Per Share

i. Basic earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to the ordinary shareholders of the Company by the weighted average number of equity shares outstanding during the period.

ii. Diluted earnings per share:

Diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to the ordinary shareholders of the Company by the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential ordinary shares.

3.11 Rounding Off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

3.12 Regrouping of Figures

Previous year's have been regrouped or rearranged wherever considered necessary.

Fair Value Measurements

Fair Value Hierarchy

Level 2 :

Fair Value of the financial instruments is classified in various hierarchies based on the following three levels :

Quoted prices (unadjusted) in active market for identical assets or liabilities Level 1 :

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques

which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all

significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs). The management considers that the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements approximate their fair value as on 31st March 2020. There were no transfers between Level 1, Level 2 and Level 3 during the year.

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis. Financial Assets measured at fair value- recurring fair value measurements as at 31st March 2020

	Level 1	Level 2	Level 3
Investment in Equity Instruments measured at FVOCI	98.62	0.00	2.00
Investment in Debt Securities measured at FVTPL	419.00	0.01	0.00
