Other Comprehensive Income/(Loss)		<u>34.92</u>		<u>44.45</u>
Total Comprehensive Income		<u>373.44</u>		<u>630.68</u>

3) DIVIDEND :

Your Management feels it would be prudent to plough back resources for sustainable development, improvement and growth and therefore, your Directors have considered not to declare any dividend for the year under review.

4) TRANSFER TO RESERVES :

The Board of Directors of the Company has not transferred any amount to the Reserves for the year under review.

5) RESUME OF PERFORMANCE :

There has been no change in the nature of business of the Company during the year under review. During the financial year 2021-22, the production was 16283 MT as against 16738 MT of Jute Goods manufactured during the previous year that is lower by 2.72% than last year. During the year under review, Covid – 19 continued its rampage. In India, the second wave proved deadly, creating havoc, crippling the nation's economy to the highest extent in first quarter and at significant extent in second quarter. Industry suffered at its worst and your Company was no exception. However, there was a steady recovery in third quarter and the same continued in fourth quarter except in Mid-January to February, 2022 due to onslaught of third wave. However, otherwise steady recovery was observed.

During the year under review, there would have been a considerable increase in the terms of sales in comparison to last year's but even after the forecast of a bumper crop of raw Jute during the harvesting year 2021-22 by the experts, suddenly raw material -Jute disappeared from the market and the prices shot-up to a new peak. Due to the non-availability of Jute, the Mill Owners had to reduce their production capacity. The Company had to curtail production levels for a brief period too. Secondly, due to an unprecedented decision of the Office of the Jute Commissioner under the Ministry of Textiles, the Government of India capped the Raw Jute cost at Rs. 6,500/- per quintal for TDN-3 grade for West Bengal and Rs. 6,800/- per quintal for other states as against the market prices of Rs. 7,200/- & Rs. 7,500/- per quintal respectively. The Hon'ble Jute Commissioner, through an order, had imposed restrictions on the trading prices of Raw Jute and had directed the traders and buyers not to sell and purchase Raw Jute above the capped prices. However, the order did not

ease the situation and the Mills were unable to procure raw jute at the restricted rates. The Office of the Jute Commissioner calculated the realizable procurement prices of bags at the rates of capped prices for raw jute, which were lower than the cost of production. On the other hand, the manufacturers were forced to purchase jute at a much higher rate to keep the Mills in operation with curtailed production by reducing working days and cutting the working hours of the workmen, who also badly suffered their earnings from wages. Due to substantial differences in the cost of manufacturing and sales realization from supply to Government Agencies, who were the buyers of at least 70% of the total production of your Company, the margin was affected to an almost nil level. The realization from other products was also lower due to the high cost of quality raw jute and other materials as well as labour charges which were much more than the previous year. The Mills Owners Association along with State Government represented the matter before the Minister of Textiles for removing of unjustified price cap fixed on Jute, but were not successful. The matter was also placed before the Judicial Court for justice. The Hon'ble Court directed the Office of the Jute Commissioner to provide Jute to the Mills at the capped prices. However, the Hon'ble Jute Commissioner withdrew the order dated 30th September 2021 w.e.f. 20th May, 2022. During the financial year ended March 31, 2022, your Company recorded Revenue from operations of ₹ 18198.62/- lakhs compared to ₹ 17596.71/- lakhs in the previous year. Whereas the profit after tax stood at ₹ 338.52/- lakhs vis-à-vis ₹ 586.23/- lakhs in the preceding year. The basic EPS for the year was ₹ 8.24/- per share vis-à-vis ₹ 14.27/- per share in FY 2020-21.

The overall performance of the Company during the year under review was satisfactory considering growth in turnover but could have been better if the conditions remained uninterrupted due to avoidable price cap on raw jute.

6) CAPITAL EXPENDITURE :

During the year under review, the capital expenditure incurred towards tangible & intangible assets amounted to ₹ 135.40/- lakhs, a large chunk of which was spent on purchase of Plant & machinery and Renewable Energy devices. During the year under review, new Shuttle-less Looms, Spinning and Printing machines were installed to obtain more output.

7) MATERIAL CHANGES AND COMMITMENTS :

No Material Changes have taken place from the end of the financial year until the date of signing of this report.

8) PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS:

Particulars of loans given and investments made under the provisions of Section 186 of the Act during the year are provided in the Financial Statement (Please refer to relevant Notes to the Financial Statement). However, the Company has not given any guarantee during the year under review.

9) DEPOSITS FROM PUBLIC :

Your Company has not accepted any deposits from public and as such, no amount on account of principal or interest on deposits from public was outstanding as on the date of Balance sheet.

Further pursuant to the Ministry of Corporate Affairs (MCA) notification dated 22nd January 2019 amending the Companies (Acceptance of Deposits) Rules, 2014, the Company is required to file with the Registrar of Companies (ROC) requisite returns in Form DPT-3 for outstanding receipt of money/loan by the Company, which is not considered as deposits. The Company has already complied with this requirement within the prescribed timelines.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Regulation 34(2)(e) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 stipulates disclosure under specific heads given in the following paragraphs which continue to be followed in the regular course of business of the Company over the years in discussion amongst the Directors and other Senior Management Personnel.

a) Industry Structure and Developments :

The Jute Industry is predominantly dependent upon the vagaries of nature. The crop yield depends on the climatic conditions to a very large extent. During the present operating cycle, the jute industry witnessed a severe shortage of raw jute, which resulted due to an adverse climatic condition and hoarding of stocks by the jute growers & traders. Accordingly, the prices also witnessed a steep rise with comparatively low availability of raw jute. Apart from this, the financial year under review continued to remain challenging because of an unprecedented and unexpected onslaught of second spell of Covid-19-led pandemic across the world, resulting in a partial lockdown across the country in the first quarter of FY 21-22. The second surge of the pandemic had affected human lives in an unprecedented manner and has negatively influenced the jute industry as a whole.

Furthermore, the Order issued by the Ministry of Textiles vide its Notification dated 26th November, 2020 approving 100% of the food grains and 20% of the sugar shall be mandatorily packed in diversified jute bags thereby expanding the scope of mandatory packaging norms under the Jute Packaging Material (JPM) Act, 1987. In case of any shortage or disruption in supply of jute packaging material or in other contingency/exigency, the Ministry of Textiles may, in consultation with the user Ministries concerned, relax these provisions further, up to a maximum of 30% of the production of food grains over and above the provisions. The said Order is still in force and will be applicable until further Order.

b) Opportunities and threats, Risks & concerns:**Opportunities:**

- a) The Demand for 'B' Twill bags from the Government Agencies for packaging of food grains is estimated to be strong consequently there is an opportunity for the Jute Industry to enhance the production as much as possible & fulfil the demand.
- b) Demand for 'B' Twill bags may surge due to the Government's planning to procure more food grains from the growers.
- c) The Company has installed more shuttle-less looms by replacing old conventional looms and other high efficiency power saving machineries to minimize loss of production and costs.

Threats, Risks & Concerns:

The Company has a risk management committee, whose composition and role is stated in corporate governance report annexed to this report. However, following are the major threats, risks & concerns faced by the Jute Industry:

- a) Owing to intense competition and frequent variations in foreign currencies, the Company caters to the requirements of its domestic consumers only and has accordingly chosen the home country as its priority area of marketing.
- b) Continuation of compulsory Jute packaging order for food grains which is extended every year is a key component at this stage;
- c) The jute industry is not only losing the market shares in the overseas market to Bangladesh but Bangladesh is also dumping its jute goods in India at the cost of market share of Indian Jute Mills.
- d) Difficulty in getting migrant labours from nearby states for running the mills is resulting in lower capacity utilization causing further increase in cost of production per unit;

c) Segment-wise or Product-wise Performance :

Your Company is engaged in single business segment i.e. manufacturing and sale of Jute Goods. Hence, disclosure requirements as required by Ind AS -108 are not applicable in respect of business segment.

d) Outlook :

There have been series of significant changes in the overall market scenario in the last few years. Over the last few years, we have been faced with many a difficult circumstance like caprices of weather due to climate change, severe pest

infestation, a significant rise in labour wages due to statutory changes and also the recent pandemic, all have had a significant impact on Company's profitability. However, your directors continue their sincere efforts to improve the quality of the Company's produce to augment the Company's realisation pattern. The weather conditions for the growth of raw jute in the forthcoming jute season is expected to be better compared to the previous season. The prices of raw jute is likely to be balancing with an upward bias compared to the previous year. Notwithstanding the adverse condition of the jute & gunny market, your Directors continue their emphasis on the 'Quality' of jute products. The Demand for 'B' Twill jute bags for packaging of food grains by the Government Procurement Agencies continues to be good and as per present indications, it is estimated to be good throughout the year. The Jute Industry was worried due to continuous losses born because of the capping of Raw Jute prices at the maximum of Rs.6,500/- per quintal of TDN-3 Bengal quality for Government procured B. Twill Jute Bags effective from 30.09.2021, but as a matter of relief the capping has been withdrawn effective from 20.05.2022. The Jute Industry may be benefited if the Tariff Commission is working on the methodology towards cost and determination of the price at which the Government Agencies will procure B. Twill Bags is completed and publish their report thereon. The Company is exploring new ideas for development in the Hessian and other jute products to make them consumer-friendly at a bearable cost.

In consideration of the above factors, it is hoped that performance of Jute Industry including your Company may remain same this year, barring unforeseen circumstances.

e) Internal Control Systems & their Adequacy :

Your Company has in place an adequate system of Internal Control at all levels of Management and commensurate with its size and nature of operations and they are regularly reviewed for effectiveness. An Independent Chartered Accountant has been appointed as Internal Auditor for the Company. The key observations and recommendations following such internal audit, for improvement of the business operations and their implementation, are reviewed by the Audit Committee on a quarterly basis. Pursuant to the mandatory requirements, the management has established adequate preventive and corrective measures so as to mitigate all major risks.

f) Financial performance vis-à-vis Operational Performances:

During the year under review, the financial performance with reference to the operational performance of the Company is as under :

PARTICULARS	2021-22 (₹ In lakh)	2020-21 (₹ In lakh)
Revenue from operations	18198.62	17596.71
Cost of Materials consumed	12049.04	10380.52
Change in Inventories (Increase)/Decrease	(384.77)	(113.57)
Finance Costs	21.64	42.63
Total comprehensive income	373.44	630.68

g) Development in Human Resource & Industrial Relations:

Human resources are the most valuable assets of the Company and thus adequate care is taken by the Company for their development and well-being. The Indian Jute industry is extensively labour intensive in nature. Your Company considers human resource development as integral to its long term sustainability and success, to which end it continues its efforts for personnel development for employees at various levels. The Company has initiated programs for skill development and production handling with the help and under the guidance of the trainers and project coordinators associated with the Department of Jute and Fibre Technology, Institute of Jute Technology, a unit of University of Calcutta as well as Government of West Bengal.

The Company's proposal for building up a super specialty Hospital for the employees and needy local residents and for the purpose a piece of land measuring about 30 Katta (21600 Sq. ft. approx.) has been earmarked and handed over to the Bhatpara Municipality, but due to political and administrative issues the matter is still under consideration of the concerned authorities.

Industrial relations remained harmonious during the year under review. Shortage of the labour continues to remain an area of concern. The Company is working on all possible measures to overcome the issue of availability of skilled workers. The Company is planning to construct a shelter home with amicable facilities to attract learners to get suitable training for development and skill in production in the area wherever most needed. As on March 31, 2022, the Company had an employee strength of around 2235.

h) Key Financial Ratios :

l) Reconciliation of Share Capital Audit:

As stipulated by SEBI, pursuant to the provisions of Regulation 40(9) of the Listing Regulations, a Practicing Company Secretary Conducts Audit of the Share Operations System of the Company maintained at the office of the RTA.

Further a qualified Practicing Company Secretary also carries out a share capital audit to reconcile the total admitted equity share capital with the National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL") and the total issued and listed equity share capital. The audit report confirms that the total issued / paid-up capital is in agreement with the total number of shares in physical form and the total number of dematerialised shares held with NSDL and CDSL.

m) Dematerialization of shares and liquidity : We have established connectivity with both depositories i.e. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL). The International Securities Identification Number (ISIN) allotted to our shares under the Depository system is INE907C01022.

As on 31st March, 2022, 3690736 Equity Shares of 10/- each (90% of the total paid-up share capital) were held in dematerialized form. The balance 10% paid-up share capital is held in physical mode and these shareholders are requested to dematerialize their shares in their own interests to avail the benefits of holding shares in dematerialized mode.

n) Outstanding GDRs : The Company has not issued any GDRs/ADRs/Warrants or any convertible instruments pending conversion and hence it does not have any outstanding GDRs/ADRs/Warrants or any convertible instruments pending conversion likely to influence the Equity Share Capital of the Company.

o) Commodity Price Risk or Foreign Exchange Risk and Hedging Activities : The Company has not undertaken any such activities during the period under consideration.

p) Plant Locations : The Registered Office and unit of the Company viz. Auckland Jute Mills is located at P O Jagatdal, 24 Parganas (North), West Bengal-743125.

INDEPENDENT AUDITOR'S REPORT

To

THE MEMBERS OF

AUCKLAND INTERNATIONAL LIMITED

Report on the Audit of the Ind-AS Financial Statements

OPINION

We have audited the Ind-AS financial statements of **M/s AUCKLAND INTERNATIONAL LIMITED ("the company")**, which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year ended on that date and notes to the Ind-AS financial statements, for the year ended 31st March 2022, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind-AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2022, the Profit including other comprehensive Income, the statement of change in Equity and its cash flows Statement for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INFORMATION OTHER THAN THE IND-AS FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Return but does not include the Financial Statements and our Auditor's report thereon. Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITY OF THE MANAGEMENT FOR THE IND-AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance including Other Comprehensive Income, the Statement of change in Equity and the cash flow Statement of the Company in accordance with Ind-AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate

implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE IND-AS FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section(11) of Section 143 of the Companies Act, 2013, we give in the "Annexure A", a Statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- I. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Change in Equity and the cash flow Statement dealt with by this Report are in agreement with the books of accounts.
- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- II. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a) The Company has disclosed the impact of pending litigation which would impact on financial position in its financial statements – *Refer Note. 26* to the financial statements;

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT**Report on the Internal Financial Controls Over Ind-AS Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of M/s AUCKLAND INTERNATIONAL LIMITED ("the Company") as of 31st March, 2022 in conjunction with our audit of the Ind-AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind-AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind-AS financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind-AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention

or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind-AS financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022**NOTE 01****1. CORPORATE INFORMATION**

Auckland International Limited ("the Company") is a public limited company, incorporated under the provisions of the Companies Act, 1956. Its registered office is located at Auckland Jute Mills in Jagatdal, District North 24 Parganas, West Bengal-743125.

Its shares are listed on the Calcutta Stock Exchange. The Company is the manufacturer of jute products such as Hessian Cloth of various qualities, Double Warp Canvas, Odourless Cloth, Sacking Cloth & Bags and Yarn of different counts. Its manufacturing facilities are located at Jagatdal in North 24 Parganas district of the state of West Bengal.

2. BASIS OF ACCOUNTING

2.1 Compliance with Indian Accounting Standards (Ind AS) : The financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Act.

2.2 Historical Cost Convention : The financial statements have been prepared on the historical cost convention.

2.3 Functional and presentation currency : The financial statements have been presented in Indian Rupee, which is also Company's functional currency. All financial information presented in Rupees has been rounded off to the nearest lakhs as per the requirements of Schedule III, unless otherwise stated.

2.4 Use of Estimates and Judgements : The preparation of financial statements require judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities including contingent liabilities on the date of financial statements and reported amount of revenues and expenses during the reporting period. Difference between actual results and estimates are recognised in the period prospectively in which the results are known/materialised.

2.5 Current and non-current classification : All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Inventories : Items of raw materials are valued at cost or net realizable value, whichever is lower. Cost for stores and spares is determined on weighted average basis. Cost includes cost of purchase, non-refundable taxes and other costs incurred in bringing the goods to their present location and condition. The cost of process stock and finished goods comprises of materials, direct labour, other direct costs and related production overheads and taxes as applicable. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale. Adequate provision is made for obsolete and slow-moving stocks, wherever necessary.

3.2 Cash and Cash equivalents : Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short-term deposits, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.3 Income Tax : Income tax comprises current and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to an item recognised directly in equity or on other comprehensive income.

(i) Current Tax : The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, wherever appropriate, on the basis of amounts expected to be paid to the tax authorities

(ii) Deferred Tax : Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the balance sheet date. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in Other Comprehensive Income or directly in equity. In this case, the tax is also recognised in Other Comprehensive Income or directly in equity, respectively

3.4 Property, Plant and Equipment:

i) Tangible Assets : Freehold land is carried at historical cost. All other items of plant and equipment are stated at historical cost less accumulated depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognised in the Statement of Profit and Loss.

Property, plant and equipment which are not ready for the intended use on the date of the Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation on property, plant and equipment is provided on the straight-line method as per the estimated useful life. The useful lives have been determined based on as prescribed under schedule II of the Companies Act, 2013.

The residual values of assets and their useful lives are reviewed, and adjusted, if appropriate, at the end of each reporting period.

ii) Intangible assets : Computer Software are stated at cost, less accumulated amortization and impairments, if any. Computer Software which are capitalised are amortised over a period of 6 years on straight-line basis.

The estimated amortisation method, useful life and residual value are reviewed at the end of each reporting period, with effect of any changes in the estimate being accounted for on a prospective basis.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

3.5 Revenue recognition :

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government.

The Company recognises revenue when the amount of revenue can be reliably measured. It is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specific of each arrangement.

a) Sale of Goods : Revenue from the sale of goods is recognised when significant risks and rewards of ownership are transferred to customers and the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold. Revenue from the sale of goods is measured at the fair value of the consideration received or receivables, net of returns and allowances, trade discounts and volume rebates.

b) Dividend : Dividend income from investments is recognised when the Company's right to receive payment has been established.

c) Government Grants : Government grants (capital incentives) are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions as and when received.

Government grants relating to the purchase of plant and equipment are included in liabilities as deferred income and are credited to the Statement of Profit and Loss in a systematic basis over the expected life of the related assets and presented within other income.

Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

3.6 Employee benefits:

(i) Short-term Employee Benefits : Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current liabilities in the balance sheet.

(ii) Other long-term employee benefit obligations : The liabilities for earned leave that are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These liabilities are therefore measured at the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method by the actuary and disclosed in the accounts.

Accumulated leave are not generally allowed to be encashed as a matter of policy of the Company. However, in exceptional cases at the discretion of the management leave encashment is granted and the same is accounted for as and when paid.

(iii) Defined benefit plan :

a) Gratuity Obligations : Liability on account of Gratuity for employees already retired and not covered under the group gratuity scheme are accounted for on payment basis in the year of retirement.

The liability or asset in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuary using the projected unit credit method.

The Company has created a Trust for payment of gratuity and taken up a policy under group gratuity scheme of LIC for this purpose. The annual contribution to the LIC as premium is charged to Statement of Profit & Loss.

b) Defined contribution plans : The Company contributes towards Provident Fund, Pension Scheme and Employees' State Insurance Scheme which are defined contribution schemes and are charged to the statement of profit and loss of the year. Liability in respect thereof is determined on the basis of contribution required to be made under the statutes / rules. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

3.7 Borrowing Cost:

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowings of funds. General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale.

Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. All other borrowing costs are expensed in the period in which they are incurred.

3.8 Financial Instruments:

Initial recognition : Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the financial instruments. Financial assets and financial liabilities are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through Profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through Profit and loss are recognized immediately in the Statement of Profit and Loss.

a. Investment and other financial assets:

Classification : The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through Statement of Profit and Loss), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the Statement of Profit and Loss or other comprehensive income.

b. Subsequent measurement:

Debt Instruments : Subsequent measurement of debt instruments depends on the Company's business model for managing the assets and cash flows characteristic. There are three measurement categories into which the group classifies its debt instruments.

i. **Amortised Cost:** Assets that are held for the collection of contractual cash flow where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method.

ii. **Fair value through other comprehensive Income (FVOCI):** Assets that are held for the collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Changes in fair value of instrument is taken to other comprehensive income which are reclassified to Statement of Profit and Loss.

iii. **Fair Value through Profit and loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured as fair value through Profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through Profit and loss is recognised in the Statement of Profit and Loss. Interest income from these financial assets is included in other income.

c. Equity instruments : All investments in equity instruments other than subsidiary companies, associate and joint venture companies are measured at fair value and the Company initially recognises, irrevocably to measure the same at FVOCI.

Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

d. Impairment of financial assets : The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 'Financial Instruments', which requires expected lifetime losses to be recognised from initial recognition of such receivables.

e. De-recognition of financial assets : A financial asset is de-recognised only when

- The Company has transferred the right to receive cash flows from the financial assets, or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay cash flows to one or more recipients.

When the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such case, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

f. Income recognition : Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life

of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

g. Financial liabilities:

Classification as debt or equity : Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

h. Initial recognition and measurement : Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities are initially measured at the fair value.

i. Subsequent measurement : Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through Profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

j. De-recognition : A financial liability is de-recognised when the obligation specified in the contract is discharged, cancelled or expires. All instruments issued by a company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

k. Offsetting financial instruments : Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the assets and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

3.9. Provisions and contingencies : Provisions are recognised when there is a present obligation (legal and constructive) as a result of a past event, it is probable that cash outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate can be made of the amount of the obligation. When a provision is measured using cash flow estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. A Contingent asset is disclosed, where an inflow of economic benefits is probable.

3.10. Earnings Per Share

i. Basic earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to the ordinary shareholders of the Company by the weighted average number of equity shares outstanding during the period.

ii. Diluted earnings per share : Diluted earnings per share is calculated by dividing the net profit or loss for the period attributable to the ordinary shareholders of the Company by the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential ordinary shares.

3.11 Rounding Off

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

3.12 Regrouping of Figures

Previous year's figures have been regrouped or rearranged wherever considered necessary.

Fair Value Measurements
Fair Value Hierarchy

Fair Value of the financial instruments is classified in various hierarchies based on the following three levels :

Level 1 : Quoted prices (unadjusted) in active market for identical assets or liabilities

Level 2 : The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs). The management considers that the carrying amounts of financial assets (other than those measured at fair values) and liabilities recognized in the financial statements approximate their fair value as on 31st March 2022. There were no transfers between Level 1, Level 2 and Level 3 during the year.

The following table presents the fair value hierarchy of assets and liabilities measured at fair value on a recurring basis.

Financial Assets measured at fair value- recurring fair value measurements as at 31st March 2022

	Level 1	Level 2	Level 3
Investment in Equity Instruments measured at FVOCI	208.68	—	2.00
Investment in Debt Securities measured at FVTPL	409.00	0.01	—
Total	617.68	0.01	2.00
